

PRODUCTION MANAGER

JOB REF: 0533

Our client is a leading manufacturer of construction products with a history of continuous expansion and constant innovation whilst redefining the meaning of service in the industry. The company now wish to appoint an experienced and talented Production Manager for their manufacturing facility in Co Tyrone.

Job Purpose

The purpose of this job is that the successful candidate will responsible for the management of production resources to deliver customer requirements within a busy steel fabrication shop and will report to the Operations Director.

Responsibilities:

- Combining outstanding people skills with strong technical, manufacturing, commercial and business expertise, the successful candidate will lead by example to inspire best practice, using continuous improvement driving towards world-class standards and exceptional customer service.
- Overall responsibility for operational cost, quality and on time delivery.
- Manage improvement projects using appropriate toolsets.
- Responsible for capacity planning and manufacturing resource planning.
- Select, appraise and train personnel.
- Provide a safe working environment by investigating accidents and near-misses and driving process and behavioural improvement.
- Develop and monitor value stream and individual goals, objectives and growth to improve plant performance.
- Provide the environment, leadership, innovation and working environment to support actions in the work place to reduce cost of manufacture and increase factory output/efficiency.
- Provide leadership and direction in the development, maintenance and improvement of processes to meet the needs of customers, employees and suppliers.

Person Specification

- Knowledge of manufacturing processes (press, cutting, guillotine, fabrication).
- Knowledge and experience of Lean Tools and deployment.
- Track record of achieving growth and efficiency in a fast-paced manufacturing environment.
- Self-motivated with a strong desire to find solutions to problems.

Benefits

- Salary is up to 45k
