

GRAPHIC DESIGNER

JOB REF: 0562

Our client is Europe's fastest growing roof window manufacturer, offering a full range of roof windows, sun tunnels, domes, loft ladders and blinds to the UK, Irish and European markets. They are looking for a Graphic Designer, based in their Head Office in Cookstown, to support the continuous growth of the business.

Job Purpose

The purpose of this job is to be a part of a forward-thinking creative team and provide a high-quality standard of creative work at all times.

Responsibilities:

- Be a key part of the creative team, pushing the boundaries of both print and digital design.
- Transform the requirements of the brand management teams to produce powerful design that works across both print and digital.
- Collaborate and contribute to the creative process.
- Ensure that a high quality of creative work is upheld, maintaining consistently high standards for all our brands.

Person Specification

- Have a proven track record (>3 years) of design in a creative environment.
- Have an exceptional portfolio and be proficient in Adobe Creative Suite including InDesign.
- Illustrator and Photoshop.
- Strong typographic and conceptual skills.
- A strong understanding and ability to adhere to brand guidelines where applicable.
- Proficient in Microsoft Office software including Word, PowerPoint and Excel.
- Understand the end-to-end print design and production process.
- Strong organisational skills.
- Ability to self-manage time and multiple projects from brief to completion.
- Ability to work under pressure to meet tight deadlines.
- A team player who can collaborate on multiple large projects with the ability to give and take feedback and direction.
- Experience working with video content/video editing and with web design.
