

MAINTENANCE TECHNICIAN (Working shifts)

JOB REF: 0697

Our client is a large, local employer and a global leader in the application of innovative technologies, holding market and leadership positions in business including heating, ventilation and air conditioning. They supply scroll compressors for refrigeration and air conditioning systems across Europe. They now have an opportunity for a Maintenance Technician to join their team in Co Tyrone.

Job Purpose

This role is to work as part of a proactive maintenance team to ensure the equipment used in the manufacturing process is maintained, repaired and operating at maximum capacity each day. The person appointed will work on a 3-shift rotation pattern – days, evenings and nights.

Responsibilities:

- Fault diagnosis and maintenance of machinery which have electronic, pneumatic, hydraulic & PLC control systems.
- Developing and completing preventative maintenance programmes
- Trouble shooting and modifying production equipment to improve quality and output
- Continuous improvement activities to increase performance of existing equipment
- Working on Rotational shifts of Days, Nights and Evenings
 - Days: 7.30 am to 3.30 pm Mon-Thurs & 7.30 am to 1.00 pm on Friday
 - Evenings: 3.30 pm to 11.30 pm Mon-Thurs and 1.00 pm to 9.00 pm on Friday
 - Nights: 9.30 pm to 7.30 am on a Sunday then 11.30 pm to 7.30 am Mon-Thurs

Person Specification

Candidates should be a multi-skilled Maintenance Technician with experience of finding solutions to enhance equipment performance, preferably with an electrical background. You may have 2 – 3 years relevant experience or alternatively just completed a BTEC Level 3 Electrical/Mechatronic program and looking for a new opportunity.

Benefits-Information

- Salary up to £30,500 (including shift allowance)
- Life assurance and 6% company pension scheme
- Wide range of health and well-being initiatives including cycle to work and on-site gym.
- Holidays: Holiday year runs from October to September. Each employee is entitled to 28 days per year (including Bank Holidays), following each year of service they will get an extra days' holiday up to a maximum of 33 days
- Free onsite parking
